

ITALIAN TRADE AGENCY

ITALIAN TRADE AGENCY

The Italian Trade Agency is the Governmental agency that helps the business development of Italian companies abroad and promotes the attraction of foreign investment in Italy.

Its activities are part of the Official Mission of Italy to the United States and are supported by the Ministry of Economic Development and the Ministry of Foreign Affairs. With a worldwide network of 79 offices in 65 countries (5 in USA), ITA provides information, assistance, consulting, and promotion to assert the excellence of Made in Italy in the world.

The Houston Office, which organized the Trade Mission at the EMDA Fall Convention, mainly oversees agricultural machinery and equipment, construction and earthmoving equipment.
